

# Heber Fling Dance Successful

HEBER CITY—They came from Salt Lake, Orem and Murray, to dance on the famous, Senior Citizens dance floor, of the Center:

"The floor is great." "It's like dancing on clouds." "We should hold more dances here, it's wonderful." were some of the comments made by the dancers who participated in the Wagon Wheelers Plus, Heber Fling.

The dance was held on March 24, and many of the dancers stayed overnight in the valley, before heading back home. The Fling consisted of a full day, which included a workshop to perfect the dance steps, and then the dance at 8 p.m.

The caller and organizer of the dance was Allen Wardle, who is from Salt Lake. The dancers were exuberant, and had a wonderful time. Many of the dancers mentioned that they would consider having the dance an annual event.

Most of the participants belong to clubs in the Salt Lake area, and have been dancing for 3-4 years. Many haven't danced on spring loaded floors. They felt that the dance was a great way to "get away."

Square dancing was in full swing as the Wagon Wheelers came to town on Saturday evening.

The Heber Fling was the name of the dance held by visiting Wagon Wheelers. The clubs from Salt Lake

and Orem, came to dance on the great, loaded, floor at the Senior Citizen's Center
